This publication contains information concerning Milestone Systems A/S and its affiliates that may be useful to Milestone's customers, suppliers, employees as well members of the general public. However, in referencing this publication you are accepting all of the terms of this disclaimer notice, including exclusions and limitations of liability. If you do not agree with anything in this notice, you should not use, or reference, this publication. While reasonable efforts are made to ensure that the contents of this publication are accurate, this publication and its contents are provided on an "as is," "as available" basis, without warranties of any kind, including any warranty that the publication will be kept up to date, be true and not misleading, or that the publication will always (or ever) be available for use. Milestone and its affiliates disclaim all warranties, express or implied, with respect to the publication and its contents, including, without limitation, any warranties of accuracy (to include any forward-looking statements based on assumptions), completeness, timeliness, non-infringement, title, merchantability, or fitness for a particular purpose. Because some jurisdictions do not permit the exclusion of certain warranties, these exclusions may not apply to you.
